1. General Instructions

Signode Finland provides the fully documentation for the Octopus wrapping machines in web portal.

1. Go to: <https://signodestretchwrapping.com/>

Select **Your documents**

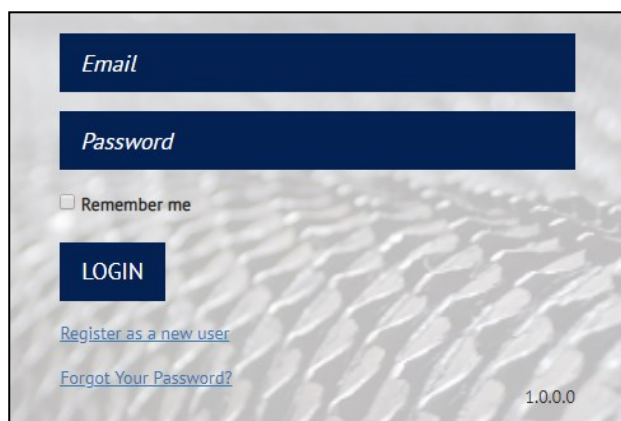

- **Login page** for web portal open
<https://documents.signodewrapping.com/Account/Login>

1.1 Login

You have to login to access the manuals.

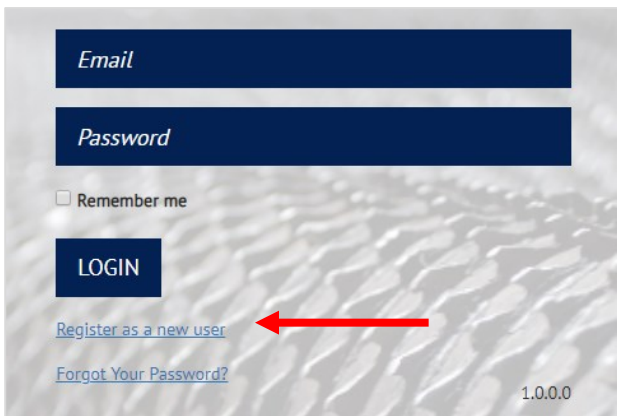

If you already have a user account, type your email and password and press **“Login”**.

2. New User

If you do not have an account,

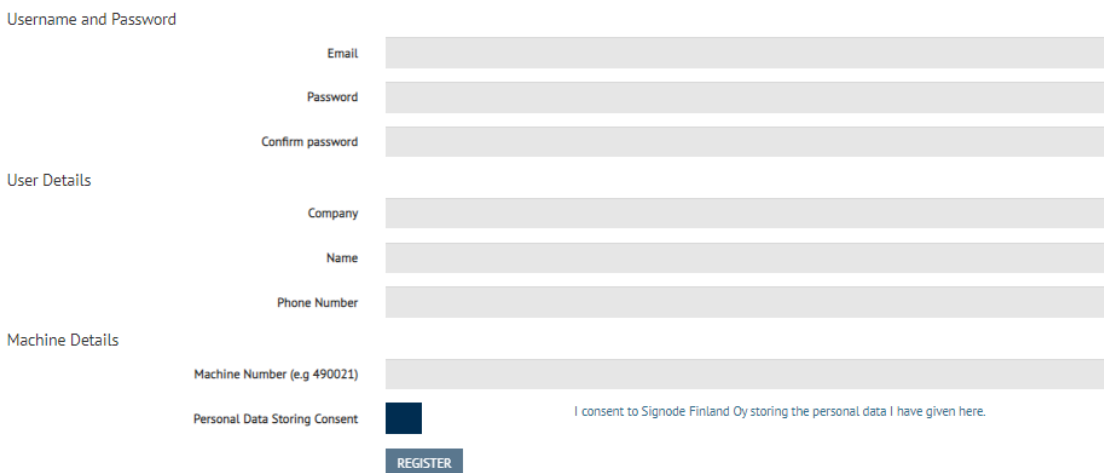

1. Press **“Register as a new user”** to create a new user.

The image shows a login and registration form. It has two input fields for 'Email' and 'Password'. Below the password field is a checkbox labeled 'Remember me'. There is a blue 'LOGIN' button. Below the button are two links: 'Register as a new user' and 'Forgot Your Password?'. A red arrow points to the 'Register as a new user' link. The version number '1.0.0.0' is in the bottom right corner.

2. Fill all fields for **“Create account”** form.

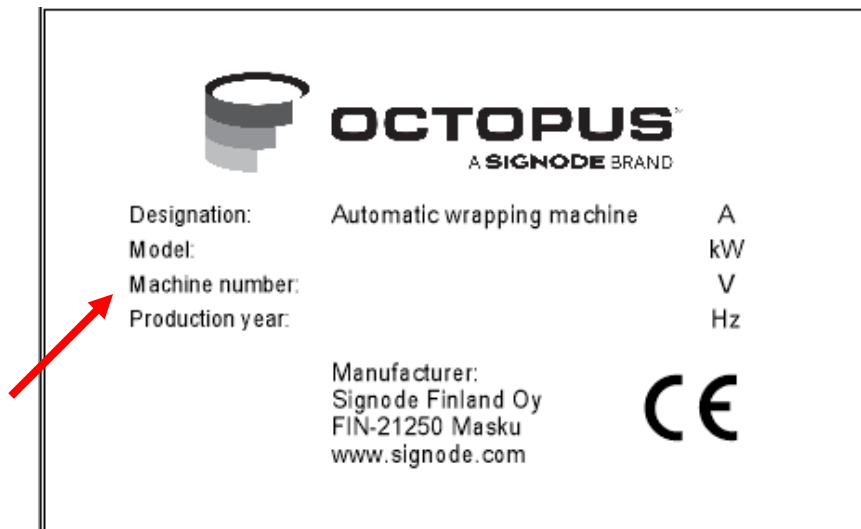

Create account

The 'Create account' form is divided into three sections: 'Username and Password', 'User Details', and 'Machine Details'.
- 'Username and Password' section: Includes fields for 'Email', 'Password', and 'Confirm password'.
- 'User Details' section: Includes fields for 'Company', 'Name', and 'Phone Number'.
- 'Machine Details' section: Includes a field for 'Machine Number (e.g 490021)'.
Below these sections is a 'Personal Data Storing Consent' section with a checkbox and the text 'I consent to Signode Finland Oy storing the personal data I have given here.' A blue 'REGISTER' button is at the bottom.

- Your e-mail address will be used as your username when logging in.
 - You need to give the machine details to access the correct manual.
- Fill these fields carefully.

- **NOTE!** The machine number can be found on the machine identification plate attached to the machine.

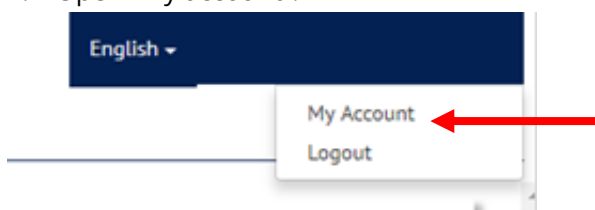

- **NOTE!** The machine number must be given in form XXXXXX. Do not type for example XXXXXX-001.
3. Press **"REGISTER"** button.
 4. After registering, you will receive a verification email. Click the link in the email to verify your login information.

3. Registering a New Machine to Your Account

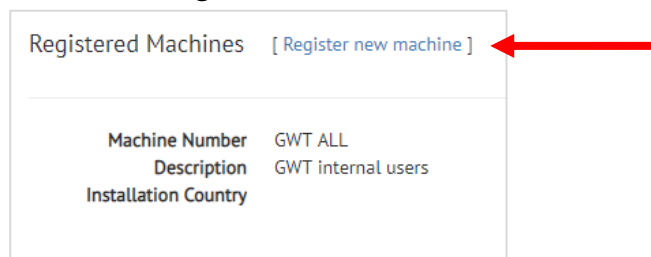

Each machine must be separately registered to see the customer documentation.

To add machines to your existing account:

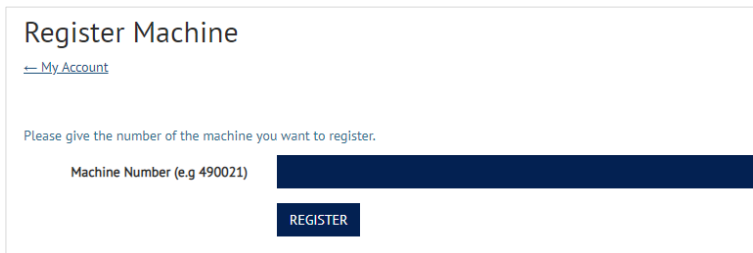

1. Open "My account".

2. Choose "Register new machine".

3. Type the machine number.

Register Machine

[← My Account](#)

Please give the number of the machine you want to register.

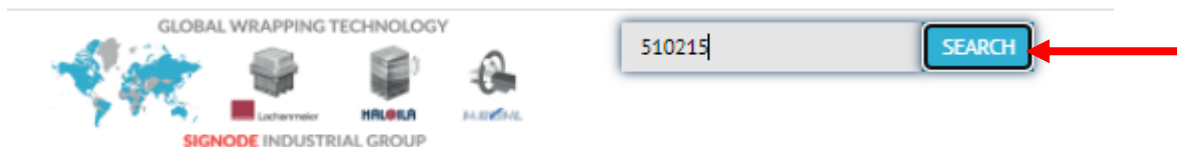

Machine Number (e.g 490021)

- The machine number can be found on the machine identification plate attached to the machine.
- **NOTE!** The machine number must be given in form XXXXXX. Do not type for example XXXXXX-001.

NOTE! Access to machine documentation not always updated immediately. If necessary, log out and / or refresh the page and try again.

4. Using the Customer Documentation

To opening the documentation use search to find correct machine.
Type the machine number and press "**SEARCH**".
