

User instructions for web manuals

Go to: www.haloila.com

➔ Your documents

➔ <http://document.haloila.com/>

Login

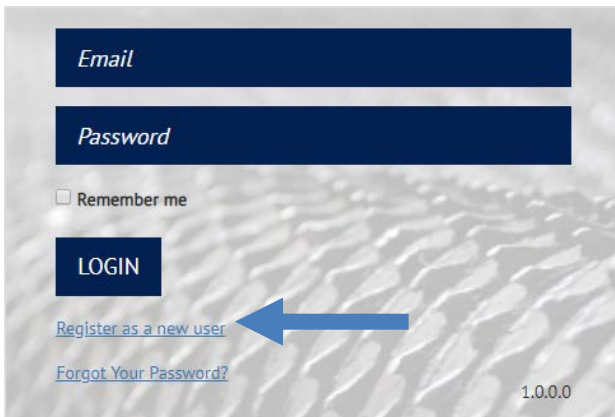

You have to login to access the manuals.

If you already have a user account, type your email and password and press “Login”.

A screenshot of the login form on the HALOILA website. The form is set against a background of a stretch-wrapped pallet. It features two dark blue input fields for 'Email' and 'Password'. Below the password field is a checkbox labeled 'Remember me'. A dark blue button with the text 'LOGIN' in white is positioned below the checkbox. At the bottom of the form, there are two links: 'Register as a new user' and 'Forgot Your Password?'. The version number '1.0.0.0' is displayed in the bottom right corner of the form area.

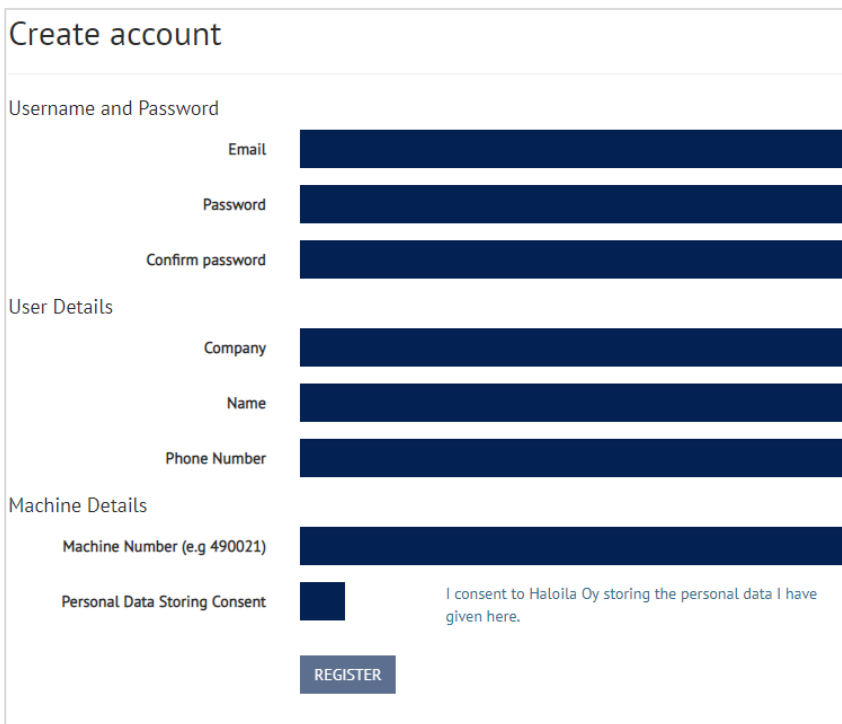

Register as a new user

If you do not have an account, press “Register as a new user” to create one.

The screenshot shows a login form with the following elements: an 'Email' input field, a 'Password' input field, a 'Remember me' checkbox, a 'LOGIN' button, a blue arrow pointing to the 'Register as a new user' link, a 'Forgot Your Password?' link, and a version number '1.0.0.0' in the bottom right corner.

Following page appears:

The 'Create account' form is divided into three sections: 'Username and Password' with fields for Email, Password, and Confirm password; 'User Details' with fields for Company, Name, and Phone Number; and 'Machine Details' with a field for Machine Number (e.g. 490021). Below the machine details is a 'Personal Data Storing Consent' checkbox and a text box containing the consent statement: 'I consent to Haloila Oy storing the personal data I have given here.' A 'REGISTER' button is located at the bottom of the form.

Please fill all fields.

E-mail address

Your e-mail address will be used as your user name when logging in.

Machine details

You need to give the machine details to access the correct manual. Fill these fields carefully. The machine number can be found on the machine identification plate attached to the machine.

NOTE! The machine number must be given in form XXXXXX. Do not type for example XXXXXX-001.

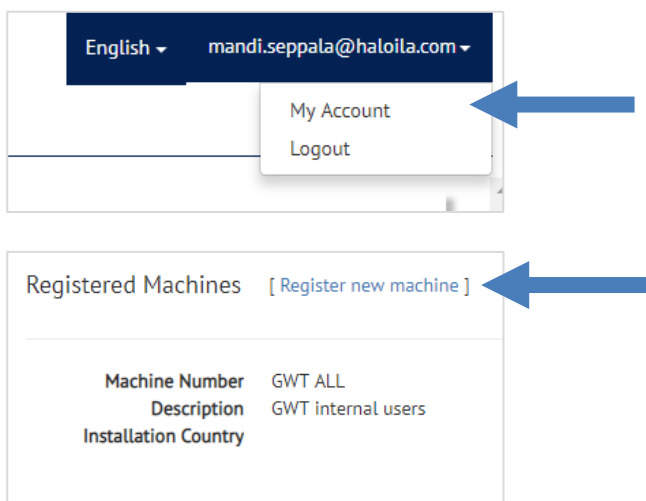

After registering, you will receive a verification email. Click the link in the email to verify your login information.

Registering a new machine to your account

Each machine must be separately registered to see the manuals.

To add machines to your existing account, go to "My account" and "Register new machine".

The following screen appears. Type the machine number. The machine number can be found on the machine identification plate attached to the machine.

NOTE! The machine number must be given in form XXXXXX. Do not type for example XXXXXX-001.

Register Machine
